options for seniors

## Placement for Seniors

We realize that change can be very difficult. The transition of moving can be a very stressful, overwhelming, and emotional time for you and your loved one. Please allow us to lend a A Helping Hand!

### LENDING A HELPING HAND DIFFERENCE:

- Calls are handled promptly
- We listen first
- We recommend the facility that best meets your specific criteria
- We are available to you in routine, in crisis or hard to place

## PLACEMENT IS JUST THE BEGINNING

Once placement is made, the caring staff at A Helping Hand Senior Care Services continues to be involved, staying in touch and staying informed.

## Helping You Along the Journey

The search for the right placement can be overwhelming. We understand how difficult the decision-making process can be.

This process takes patience, energy, leg work and knowledge to make the right choice... to find a safe, loving environment that will best meet personal and healthcare needs.

## The Only State Licensed Senior Care Placement Service in Kern County.

## YOUR HAPPINESS IS OUR SATISFACTION

A Helping Hand Senior Care Services is available to you when you need us, to alleviate the hard work and stress from the journey.

## Senior Living Choices

When is the right time to seek a facility for a loved one or myself?

How do retirement living, assisted living, board and care, Alzheimer's/ Dementia and skilled nursing facilities differ?

How do I decide between all of the senior living options?

In times when seniors need a change in residence, it is sometimes difficult to find the information you need.

## A Helping Hand

Senior Care Services Has the Answers!

## WE DEEPLY CARE ABOUT WHAT WE DO

We combine our intimate knowledge of the facilities with a personal touch, helping you choose the best option.
